L-Lingo Russian Free Version Crack + Free

L-Lingo is a Free application that helps you learn Russian quickly and easily. It provides a large library of free lessons that you can study at your convenience. You can select a learning method of your choice (picture, text and audio) and can practice as many lessons as you like. Find what you want easily - use search, browse, browse by topics, search in glossaries, locate the courses you want to take and get them by one click. Hear the words you want to learn - use audio, text and video audio, play the sounds of words that you have learnt. If you're having trouble, let the application read them aloud. Get other help - let the application give you explanations, suggestions, cross-references, find related words, check the accuracy of your lessons, and use notes. Ask questions - have your questions answered by the teacher. Ask for more explanation, hints, cross-references, reviews and more. Learn efficiently - the lessons are split into topics and you can practise them one at a time or all at once. Add a note to remember something or repeat a lesson. Test yourself - take quizzes, text translations and vocabulary tests to see how well you are progressing. You can also use Flashcards to help you learn faster. Play games - play trivia games to challenge yourself and then try to beat your friends' scores. Or set a new record on the popular Hints game. Build a vocabulary - get a list of words that you would like to learn. Each time you study a lesson, the application will suggest a new word. You can look up its meaning in the dictionary, or do a Flashcard game with it. L-Lingo works on Windows 95, 98, Me, NT, 2000, XP and Vista. Visit www.langlingo.com for more information.
